Muscle Car 3

To Install:
1. Insert the CD into the CD Rom Drive. The CD will start *automatically.
2. Once you click “Next” follow the onscreen instructions to complete the installation.

NOTE: If the CD does not automatically start, then double click on the "My Computer" icon (usually located at the top left hand corner of the screen on the desktop), then double click on the CD Rom drive (usually the D: drive), and then double click on "Setup.exe".

To play the game:
Click on ‘Start’, ‘Programs’, ‘Muscle Car 3’ then ‘Muscle Car 3’ to start the game.

Ready for some screeching tires and do some illegal racing throughout the city of madness? Drive your specially tuned muscle car around the city and make some money. Do a quick race with other opponent in a environment that will intense your drive. Jump over the ramp and look at yourself in slow motion, view your race in the replay mode with different angles to choose from. And the fun does not stop here……

Modes of Play
Quick Race – Beat your Opponent
Race against computer opponents through timed “Checkpoints” around selected tracks. Finish 1st, 2nd or 3rd Place to Advance to next level with new car.

Ghost Race – No Limits
Drive a lap with no time limit. Then Challenge your previous time and beat it. If successful you will advance to next round with a new Car.

Tips
Nitro Boost 5 Second Charge (shift Key)
Bonus Ramp Air Time Subtracts seconds.
Cop Chase – You are the Law.
Ticket Drivers by hitting them with 6 times for Full Arrest.
Arrest all speeders in Set time.
Advance pursuit to next level.
Tips
Hitting traffic will cause you to loose time.
Bonus ramp air time add seconds to the clock.
Career Mode – Illegal Street Racing
Drive around the deserted City and Street Race for Money and pink slips.
Become the champ in a 3 race rally series.

Earn money to customize your vehicle in the Garage.
